### **Clergy report (presented by Fr. Kai)**

1. Shared plan and reasoning for new booklets for Holy Week services with updated/modified content (which will result in longer Pascha service); needs collaboration for this process; will make additional changes before next year. Donna assured Fr. Kai that we could print books for this year even if there are changes for next year.
2. Shared concern re: financial welfare of church and parishioners given current political climate and uncertainty
3. Discussed bishop's goals for more connectivity among Archdiocese parishes here in US and those in Albania. The hope is to be able to effectively represent our interests and priorities within the OCA.
4. Pointed out barriers to achieving some of his vision, goals, and priorities for the parish.

### **Chairperson Report (reported by Donna Dimitri)**

1. The semi-annual on March 2, 2025 went well, everyone present was respectful and there was minimal talking during the meeting. Reports were made available prior to the meeting and after the meeting the reports were left on the table in the vestibule.
2. Palms for Palm Sunday have been received. Pascha letters were sent to parishioners and friends of St. Johns.
3. We are set for decorating the Epitaphion on Holy Friday at 10:00 am.
4. The ad for St. George Trumbull celebrating their 100<sup>th</sup> anniversary this year was sent.
5. Joe Ritchie, contractor came out to inspect the leaks on the northern roof. He quoted \$1800,00 to seal the copper with a primer base material, then cement all along the metal strip up top and silicone the bottom of the flashing on the roof. He will put us on the schedule.
6. A blurb was put with the Weekly Messenger asking if anyone knows a window cleaner we may use to clean the second floor/church hall windows. Contacted Briteside Cleaning and they will provide a quote.

### **Sunday School Report (prepared by Ilirjan Papa, presented by Donna Dimitri)**

1. Attendance from kids has been low. We have had Sundays where we did not have any kids attend Sunday school. Mita Thodhori has been covering for me when I am not able to come on Sunday and there are other volunteers also.
2. Hopefully we will have a big turnout of kids for Lazarus Saturday. Fiori and Elisabeth will help with arts and crafts activities for the kids. I will reach out to remind parents during the week to bring their kids on Saturday.

He has rented a studio and is eager to work with us to get the project started. He might stop by the church this week to take detailed measurements of the church. Ilirjan has asked him to put a presentation together so we can share it with the board. Ilirjan is willing to help with fundraising on this project.
